

Lesson Information

Private Lessons are available in 1/2 Hour sessions. These are one-on-one sessions with one of our professional instructors and are available seven days a week. Lessons are available for all areas of baseball and softball. During each lesson the athlete will be instructed on critical elements that will help create a successful ballplayer. Please call (412) 380-7000 for our East Campus location or (724) 444-8850 for the North Campus location to book a lesson with an instructor. Our North Campus has pitching machines of various speeds, and all are operated by tokens; each token gives you 14 pitches and lasts 2 minutes per round. Our machine cages at our North Campus are open to the public to use M-F from 11am-9pm and 9am-9pm on the weekends (Seasonal). We also have an ATEC softball pitching machine available to rent in one of our cages (Campus-Wide).

Our Arena Field and cages at both locations are available for rent year round, contact Joe Vicini (East Campus) or David Cline (North Campus) for more information.

	30 min. lesson	5 pack	10 pack	20 pack
Members	\$35.00	\$170.00	\$330.00	\$640.00
Non-Members	\$40.00	\$195.00	\$380.00	NA
*All lessons must be paid in full prior to scheduling.				

For your convenience, we provide a scheduling system called "EZ-Facility" which is located on the homepage of our website. Follow the directions below to check the availability of any part of either of our facilities from instructors to rentals, and even the Iron Mike Pitching Machine cages at our North Campus.

1. Visit www.allamericanbaseballcenter.com.
2. Scroll down the home page until you see an icon named 'EZ-Facility' on the right-hand side of the page.
3. Select the campus that you wish to schedule lessons or view its available times.
4. A new window will open (See picture below).
5. Green boxes to the right of 'Trainer' names denote available times for lessons, and red boxes are unavailable times.
6. The gray areas under 'Venues' indicate cage/facility available times for rentals or member usage, and red boxes indicate scheduled reservations for that portion of the facility.
