

Professional Baseball Instructor

The Professional Baseball Instructor oversees individual lessons, evaluating each child's growth and learning, and adapting said lessons to build upon the child's development. Working closely with the General Manager, the Director of Baseball Operations and the Director of Business Development, the instructor must be able to adapt and create a clearly defined plan for each child's development and act to facilitate that plan.

Requirements

- College and or professional baseball experience.
- Must be reliable and punctual
- Effective communication skills with both children and adults.
- Applicants must be able to always conduct themselves as a professional.
- Must present and maintain a professional appearance (restrictions will be placed on facial hair).
- Willingness to adhere to strict drug, alcohol, and tobacco policy
- Knowledge of and comfort with scheduling and database applications a plus.

I acknowledge and understand the position of Professional Baseball Instructor at the All American Baseball Center LLC, and understand that my job description shall not exclusively be limited to the above attached description. I acknowledge the expectations of this position and understand that I must make a whole hearted effort to complete my responsibilities and promote the development and success of the All American Baseball Center LLC. I understand that the All American Baseball Center LLC has a zero tolerance for alcohol, drug and tobacco use and/or abuse. I fully understand that failure to comply with the above stated description and guidelines will result in my termination from the aforementioned position.
